

Business Partners, Consultants & ISVs receive up to \$60,000 in FREE BCD iSeries - i5 Software Solutions -- to Grow your Business.

If you're a BP, Consultant or ISV please read on, BCD has some exciting news for you !

Want to grow your business, modernize iSeries client app's, and participate in the #1 iSeries Business Priority for 2006 -- Getting Business Apps to the Web? Well, you can get there Faster & Easier with BCD's **WebSmart**. Another Hot Topic -- Automated Report & Document Distribution, and Web Archiving. With #1 **Catapult** and **Nexus**, it's easy. **WebSmart & Catapult are Distributed by IBM with all i5/OS Upgrades and new System Sales on IBM's Try & Buy CD**, and they're listed on IBM's iSeries Developer Roadmap.

Join BCD's Partner Program & get up to \$60,000 in Free* BCD Software Licenses, (*only maintenance is due). BCD software solutions have already won over 35 Industry Awards, including 10 for WebSmart alone !

BCD's Award Winning Web and iSeries - i5 Development & Productivity tools include:

- **WebSmart** iSeries -- Web App Development. (Generates **ILE/RPG CGI** or **JAVA**)
- **Clover** Robust end-user Query Report Writer (*WebSmart add-on*) **Now Released**
- **RDW** Converts useful RPG code directly into WebSmart
- **Nexus** iSeries - i5 Portal with Enterprise Content Management component (ECM) & more
- **ProGen Plus** ILE/RPG Application Development tool, and DbGen Database Mgmt Sys.
- **Catapult** Automated iSeries Report Distribution solution with ECM interface
- **EZ-Pickin's** Report Mining / Data Extraction Tool (*also interfaces with Catapult*)
- **Docu-Mint** iSeries - i5 Software Documentation tool... *and other BCD solutions*

Partners select WebSmart, with Nexus and/or RDW, as a minimum, for just the maintenance fee. Select the entire BCD product suite, and the offer gets even better, fees are cut by about 50%.

Here's what you receive when you become a BCD Business Partner - besides Free licenses.

- Commissions are earned when you sell BCD solutions to your clients.
- Free* Nexus Portal / ECM for clients. • All product updates. • All new product releases.
- Unlimited Technical Support. • Professional Dealer only site. • Significant product R & D.
- 24/7 access to BCD's online knowledgebase. • Online Web based technical training.
- Hard and soft copy User and Technical manuals. • Monthly Technical newsletter.
- An assigned pro-active Technical, and Sales Manager... *and many other benefits.*

If you're ready to increase your organization's bottom line, get into advanced iSeries - i5 Web development projects and get up to \$60,000 worth of BCD software solutions for FREE*, then contact us to start the process and join our progressive organization backed by a proven and integrated product line.
